

TEAM ID: PNT2022TMID1670

## PROJECT NAME: SMART FASHION RECOMMENDER SYSTEM

### TEAM LEADER:

The screenshot shows the IBM Cloud Dashboard for user Lavanya K's Account. The dashboard features a sidebar with navigation icons and a main content area. The main content area includes a 'For you' section with several tiles: 'Build' (purple), 'Monitor your resources' (5 min), 'Db2' (Popular, 2 min), 'Moving your application to the cloud' (Recommended, 5 min), 'Create a Kubernetes cluster' (Getting started, 20 min), and 'Build a Cloud' (Getting started). Below this is a 'User access' section with a 'Manage users' link, a 'News' section with a 'View all' link, and a 'Planned maintenance' section with a 'View all' link. The 'News' section displays a headline: 'TrustRadius Best Software: Five IBM Offerings to Make the List'.

### TEAM MEMBER 1:

The screenshot shows the IBM Cloud Dashboard for user subashree R's Account. The dashboard features a sidebar with navigation icons and a main content area. The main content area includes a 'For you' section with several tiles: 'Build' (purple), 'Monitor your resources' (5 min), 'Create an OpenShift cluster' (Getting started, 20 min), 'IBM Cloud App ID' (Recommended, 2 min), 'Build a web app with Watson Speech to Text' (Getting started, 15 min), and 'Create cluster' (Getting started). Below this is a 'User access' section with a 'Manage users' link, a 'News' section with a 'View all' link, and a 'Planned maintenance' section with a 'View all' link. The 'News' section displays a headline: 'TrustRadius Best Software: Five IBM Offerings to Make the List'.

## TEAM MEMBER 2:

The screenshot shows the IBM Cloud Dashboard for Team Member 2. The top navigation bar includes the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account (NILA BHARATHI N's Account). The dashboard is titled "Dashboard" and includes links to "Edit dashboard", "Upgrade account", and "Create resource".

The main content area is divided into two sections. The top section, titled "For you", contains a horizontal carousel of cards. The first card is "Build" (purple background) with the text "Explore IBM Cloud with this selection of easy starter tutorials and services." and a "Getting started" button (5 min). The second card is "Monitor your resources" (light gray) with the text "Get visibility into the performance and health of your resources." and a "Getting started" button (5 min). The third card is "Create an OpenShift cluster" (light gray) with the text "Deploy apps on highly available clusters with Red Hat OpenShift on IBM Cloud." and a "Getting started" button (20 min). The fourth card is "IBM Cloud App ID" (light gray) with the text "Use IBM Cloud App ID to easily add authentication to web and mobile apps with zero code changes and no redeploy required." and a "Recommended" button (2 min). The fifth card is "Build a web app with Watson Speech to Text" (light gray) with the text "Deploy a conversational interface compatible with any application, device, or channel." and a "Getting started" button (15 min). The sixth card is "Create cluster" (light gray) with the text "Automatically manage apps in experience" and a "Getting started" button.

The bottom section contains three cards. The first is "User access" (light gray) with the text "Enter email addresses below to jump directly into the invite user setup:" and a "Manage users" link. The second is "News" (dark blue) with the text "TrustRadius Best Software: Five IBM Offerings to Make the List" and a "View all" link. The third is "Planned maintenance" (light gray) with the text "Planned maintenance" and a "View all" link.

## TEAM MEMBER 3:

The screenshot shows the IBM Cloud Dashboard for Team Member 3. The top navigation bar includes the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account (Maria Sarah J's Account). The dashboard is titled "Dashboard" and includes links to "Edit dashboard", "Upgrade account", and "Create resource".

The main content area is divided into two sections. The top section, titled "For you", contains a horizontal carousel of cards. The first card is "Build" (purple background) with the text "Explore IBM Cloud with this selection of easy starter tutorials and services." and a "Getting started" button (5 min). The second card is "Monitor your resources" (light gray) with the text "Get visibility into the performance and health of your resources." and a "Getting started" button (5 min). The third card is "Create an OpenShift cluster" (light gray) with the text "Deploy apps on highly available clusters with Red Hat OpenShift on IBM Cloud." and a "Getting started" button (20 min). The fourth card is "IBM Cloud App ID" (light gray) with the text "Use IBM Cloud App ID to easily add authentication to web and mobile apps with zero code changes and no redeploy required." and a "Recommended" button (2 min). The fifth card is "Create a Kubernetes cluster" (light gray) with the text "Automate deployments and manage your containerized apps in a native Kubernetes experience." and a "Getting started" button (20 min). The sixth card is "Moving the clo" (light gray) with the text "Plan th success" and a "Recom" button.

The bottom section contains three cards. The first is "User access" (light gray) with the text "Enter email addresses below to jump directly into the invite user setup:" and a "Manage users" link. The second is "News" (dark blue) with the text "TrustRadius Best Software: Five IBM Offerings to Make the List" and a "View all" link. The third is "Planned maintenance" (light gray) with the text "Planned maintenance" and a "View all" link.
